STANDARDIZATION AND  
PURCHASE OF KAWASAKI  
MOTORCYCLE FOR POLICE  
DEPARTMENT

CC-20  
CC-47

The City Council was informed that the police motorcycles used by the Police Department for the last four years have been the Kawasaki KZ 1000P. At the present time the department has three 1986 KZ 1000P Kawasaki motorcycles. In the 1990/91 Budget we requested a replacement program to replace one motorcycle a year until all of the 1986 models are replaced. The Police Department has a maintenance agreement with B&T Kawasaki that has proven to be beneficial to the City of Lodi. B&T Kawasaki has parts and materials readily available and the expertise to keep our motorcycles in good working order. It is also to our advantage to continue to use the Kawasaki motorcycles because we will be able to take the brackets and lighting equipment off the old motorcycles and place them on the new motorcycles with no major adaptations required.

Recently, one of our Motor Officers was involved in a traffic accident and his motorcycle suffered extensive damage. The cost of repairing that motorcycle is \$5,045. It is our request to replace that motorcycle with a 1990 KZ 1000P Model for a cost of \$6,793. The funds for this motorcycle have already been budgeted in the 1990/91 Budget.

Section 3.20.040 (Exemptions from Centralized Purchasing) authorizes the City Council to standardize on specific supplies, services, and equipment. Since the Police Department has enjoyed a successful program with the Kawasaki Motorcycles, and it is recommended that the City standardize on police motorcycles manufactured by Kawasaki.

Following discussion, on motion of Council Member Olson, Hinchman second, the City Council by the following vote standardized the purchase of future police motorcycles used by the City of Lodi Police Department with B&T Kawasaki, Sacramento, California.

Ayes: Council Members - Hinchman, Olson, Pinkerton and Snider (Mayor)

Noes: Council Members - Reid

Absent: Council Members - None

Further, on motion of Mayor Pro Tempore Hinchman, Olson second, the City Council authorized the purchase of a 1990 KZ 1000P Model Kawasaki at a cost of \$6,793 to replace the
